INTRODUCTION TO TREC group training
New to Trec? This session is for you. It's a supportive & fun session learning how to negotiate the obstacles and having a practise. Suitable for both Ridden and In Hand & every kind of horse or pony. We will cover a selection of Trec obstacles, both ridden and led: such things as a footbridge, bending poles, immobility (of the horse/pony), a small jump (up to about 2 feet), mounting, reining-back, riding or leading through a corridor of poles on the ground or an S-bend. As with Trec obstacles in a competition, if you don't want to try an obstacle, you just need to tell us at the time (or in a competition, the judge).

OBSTACLE PRACTISE group training
Perfect for riders who know how to ride the obstacles and want to practise with an experienced Trec trainer on hand for the finer points. Work independently on problem areas at your own pace over a selection of obstacles & the MA will be available too

All group sessions will be in small groups (typically 4) for around an hour.

Entry fee for Trec Lincolnshire members:- £20
Entry fees for non members, Trec GB Red members or member of other Trec Clubs :- £25

INDIVIDUAL TRAINING
A focused intensive 30 minute session tailored entirely to you. Start with a 10-obstacle course and get coaching on the areas you lost points, or work on a specific problem - it's up to you. Also ideal for a quiet introduction for young horses & those who don't play well with others.

Entry fee for Trec Lincolnshire members:- £30
Entry fees for non members, Trec GB Red members or member of other Trec Clubs :- £35
